CV of **Thommey Lilley** ACTOR/ MODEL

My name is Thommey Lilley and I'm an actor/model from the Midlands, UK. I have acting/modelling experience in commercials, films, TV, fashion, wedding/ lifestyle shoots and more. Previously, I was a Primary School Teacher for 9 years, which I left to follow my passion of acting/modelling. I'm an adaptable, hard-working, professional individual with a passion for creativity. However, I enjoy taking risks and having fun. In my spare time I love meeting with friends, playing/listening to music, playing/ watching sports and writing. I have a car and have many bases around the UK. Alternatively, I am happy to travel.
